

McHenry High School Student Success Plan

Credit Recovery Version:

Desired Graduation Date:

Month

Year

Counselor/Staff Name:

Purpose: McHenry High School believes that all students should successfully graduate high school with options for postsecondary success. If a student falls behind in credits, MCHS staff will work with the student and parents/guardians to establish the path for on-time graduation. Furthermore, alternative education plans may be necessary if the student is not successful in the traditional setting.

ELECTRONIC AGREEMENT

We agree to the above plan and we acknowledge that we understand that credit deficiency requires intensive support and planning to successfully complete high school with a diploma from MCHS.

We also understand that the student must continue to pass all current courses to prevent further credit deficiency.
